

I claim:

1. A pet accessory comprising, in combination,
a substantially durable material;
a harness attachment on a bottom side; and
5 a securing mechanism.
2. A pet pack as in claim 1 where said substantially durable material is substantially water resistant.
3. A pet pack as in claim 1 where said substantially durable material is soft on said bottom side.
- 10 4. A pet pack as in claim 1 further comprising an opening which allows a portion of the harness to be accessed.
5. A pet accessory comprising, in combination,
a substantially durable material including at least one pocket on
a top side;
15 a harness attachment on a bottom side; and
a securing mechanism.
6. A pet accessory as in claim 5 where said substantially durable material includes a plurality of pockets.
7. A pet accessory as in claim 5 where said substantially durable
20 material is substantially water resistant.
8. A pet accessory as in claim 5 where said substantially durable material is soft on said bottom side.
9. A pet accessory as in claim 5 further comprising a leash attachment mechanism.
- 25 10. A pet accessory as in claim 5 further comprising an opening which allows a portion of the harness to be accessed.
11. A pet accessory comprising, in combination,
a substantially durable material which substantially covers a
pet's body;
30 a harness attachment on a bottom side; and

a securing mechanism.

12. A pet accessory as in claim 11 where said substantially durable material includes at least one pocket.

13. A pet accessory as in claim 11 where said substantially durable
5 material is substantially water resistant.

14. A pet accessory as in claim 11 where said substantially durable material at least partially covers a pet's head.

15. A pet accessory as in claim 11 further comprising an opening which allows a portion of the harness to be accessed.

10 16. A pet accessory as in claim 11 further comprising a leash attachment mechanism.

17. A pet accessory as in claim 11 is substantially soft on said bottom side.
